The Southeast Polk Education Foundation (SPEF) is a nonprofit foundation that raises funds for curricular enrichment, programs, scholarships, and projects outside the usual funding stream of the district, thus providing enrichment opportunities that would otherwise not be available.

Southeast Polk Dollars for Scholars® is part of a nationwide network of community-based scholarship foundations, 87 of which are in Iowa. It is a program of Scholarship America®, the nation's largest non-profit private-sector scholarship and educational assistance organization.
