LEADER IN ME - HABIT 7: SHARPEN THE SAW

"Sharpening the saw" means taking time for ourselves every day because we recognize that it gives us the ability to do everything else. Habit 7 aligns with the principles of renewal, continuous improvement, and balance.

HABIT 7 AT HOME:

- Exercise with your children. Play sports with them. Go for regular walks together. Sign up with them for swimming, golf, or other lessons or activities. Continually remind one another of the importance of exercise and good health.
- Sign up to learn new skills with your child, such as sewing, woodworking, pie-making, or Photoshop.
- Involve your children in planning family vacations.
- Become involved with your children in weekly family service projects.
- Schedule fun times together such as going to ball games, hiking in the mountains, playing on the swings in the park, playing miniature golf, or going to the ice cream store. Keep a family calendar on the wall and write these activities on the calendar so everyone remembers.

3RD-5TH ISASP ASSESSMENTS

The Iowa Statewide Assessments of Student Progress will take place the week of April 24th. The assessments are only for grades 3rd-5th. We are asking families to help us motivate and encourage our students by writing a letter to their children that we will deliver before we begin assessments. We know how important it is to partner with our families and we hope that your words of encouragement will motivate them to do their best throughout week! Feel free to drop your letters off at the Delaware office at any time and we will hold them until they are delivered!
