

VISION

We exist to impact the culture of military youth in Iowa so that they and their families thrive in the face of challenges.

"Your activities have made a huge impact on my daughter. She recently attended camp at Camp Foster and cried when it was time to pick her up. She told me she felt like it changed her life, and that it was the best week of her life."

Students will gain skills in communication, teamwork, character strength, self-regulation, and more.
