LEADER IN ME - HABIT 4: THINK WIN-WIN

Thinking Win-Win embraces an attitude that continually seeks mutual benefit in our interactions with others. It is choosing to believe that there is plenty for everybody and that other people's success doesn't come at a cost to us.

HABIT 4 AT HOME:

- Take the family to a sporting event and explain on the way that the plan is for everyone to take note of the "best" they see on the court, field, rink, mat, etc. The best play, best teamwork, best sportsmanship, best shot - not only for the team they are rooting for but also for the opposing team. After, compare notes and point out all of the good things they observed.
- Select areas in your family life that need additional cooperation, teamwork, better attitudes, etc. Write each one on a note and put them in a hat. Have family members draw from the hat one at a time and explain what they would do to make that situation a win for everyone involved.
- Discuss as a family what it means to see the "big picture." When a family member or friend is being disagreeable, how can seeing beyond the behavior of the moment help you Think Win-Win?

DELAWARE MAKES A DIFFERENCE!

Thank you to all who donated towards our Christmas Campaign with Foster Love! Students were able to put together 30 Foster Love backpacks filled with all of your great donations! We know that these backpacks will greatly impact 30 different children placed in foster care and provide them with the resources necessary when they are quickly placed with a new family.
