35 – 45 degrees (2 layers)			 Fall or winter coat & a hat
Below 35 degrees (2 layers) 			 Warm coat, hat & gloves

Nurse : Snethen

Please have your child dress appropriately for outdoor recess so they are able to go outside when weather permits

Centennial Elementary Cold Weather Recess Guidelines

Parents, with cold weather and snow just around the corner I thought it'd be good to review our outdoor recess guidelines.

All students are required to go out for recess unless they have a note from the doctor. Rule of thumb is if they are healthy enough to be at school they should be well enough to attend recess.

The information below is based on the temperature at recess time, so if there is a change in the weather/temperatures, the flag color can change at any time during the day from morning, lunch, or afternoon recesses.

Green Flag: Full outdoor recess: **wind chill** temperatures greater or equal to **15 degrees or above** (*25min. for grades K-1st & 30 min. 2nd - 5th lunch recess.*)

Red Flag: No outdoor recess if **wind chill** temperatures less or equal to **14** degrees or it's raining or snowing.

Please make sure your child dresses for the cold and wears a winter coat, hat, and gloves. Snow boots and pants are required to play in the snow and if not worn your child will be limited to the black top playground area.

If your child walks to school, it is very important they understand the importance of dressing warm and keeping exposed skin areas covered since cold weather emergencies such as frost bite and hypothermia can set in quickly if not prepared.

Parents of pre-school students: Teachers follow the same temperature guidelines with a 20-minute recess.

Shorts and Sandals/flip flops: Our guidelines for wearing shorts and sandals to school are **wind chill temps of 50 degrees or above**. I understand some like to wear shorts for PE which is fine as long as they wear long pants until and as well after PE.

Thank you!
