LEADER IN ME - HABIT 1: BE PROACTIVE

Proactivity means that we take responsibility for our words, actions, and choices. We know that we have the power to impact our life for the better. If you are proactive you take initiative, follow directions, and learn to regulate your emotions.

HABIT 1 AT HOME:

- Lay your clothes out each night before you go to bed.
- Cook a meal together and assign everyone in the family a role.
- Use the book or movie, "Alexander and the Terrible, Horrible, No Good, Very Bad Day" and talk about how to carry your own weather. If you choose to have a sunny day, don't let others turn it into a cloudy or stormy day.
- If you are bored at home, brainstorm a list of ways that you could do something nice for your friends or neighbors!

FALL PARTIES

Fall Parties will take place on Friday, October 28th. We will not be having parent volunteers at this time for class parties. More information regarding class parties will come from your teachers.
