## ESOL PROGRAM AT DELAWARE

Here at Delaware, we have over **19 different languages** spoken by our students and families and over **13 different countries represented**. Our names are Ms. Narber and Mrs. Avon and we are the ESOL (English Speakers of Other Languages) teachers at Delaware. Our job is to work with students who speak or hear another language in their home. We get to work with students in Kindergarten through 5th grade who could use additional support with the skills of listening, speaking, reading and writing in English. We connect the support we provide with the content the students are learning in the classroom. We look forward to a new school year!
