**This is not a South East Polk Community School District publication. It is being distributed through the school district as a community service of the district to inform you of other community activities or services.**

The Des Moines Lapidary Society is a non-profit educational organization. Our mission is to promote, enjoy, and develop the study and practices of the lapidary arts – turning stone into art. The Central Iowa Mineral Society is an active participant in this event, bringing knowledge and specimens of minerals and fossils.
