Family members can attend presentations on Challenging Behavior (all ages), Transition (families of students 14 and older) and Family Engagement (all ages).

The Family & Educator Partnership Resource Fair is an event for families to enjoy together. To enable parents' full participation in breakout sessions, stipends are available for parents to bring along a childcare provider or assistant for their child.

The Science Center opens to the general public at 10 a.m., and families are welcome to explore at their leisure. Park in the parking ramp across from the Science Center, and we will validate your parking ticket.*
