

Living History Farms

BARNYARD READERS

Preschool Programs

Register now for summer programs!

Parents and 3-5 year olds will gather to hear a story about a farm animal, do a fun activity, then take a wagon ride to visit one of our historic farms, and meet the animal of the day! Participants will have a chance to see chickens, sheep, cows, horses, pigs, and oxen over the course of the program. Programs are available Saturdays, Tuesdays, and Wednesdays. Find details and sign up online!
