MIDWEST SPORTS ANALYTICS CAMP

TUESDAY, JULY 16 - FRIDAY, JULY 19

MIDWEST SPORTS ANALYTICS CAMP

The four-day camp offers students currently in grades 8-10 the chance to develop math, stats and data skills through sports-related contexts. Campers will engage in experimental data collection (free-throw shooting), problem-solving (when should a football coach go for two?) and working on open-ended projects (such as creating a predictive model for March Madness).

The camp is coordinated by Professor of Mathematics and Assistant Women's Soccer Coach Russ Goodman and Greg Kapusinski '07, a math teacher and assistant girls track and field coach at Southeast Polk High School.

The camp runs from 9 a.m. to 3 p.m.

Transportation is available from Des Moines for \$20 for four days.

For more information and to register:
central.edu/camps or
email Russ Goodman at goodmanr@central.edu.

COSTS

**Includes T-shirt,
meals and
all activities.**

July 16-19

Register by April 30:
\$160

Register after May 1:
\$180

Registration Deadline:
July 12
