

The background is a dark wood-grain surface decorated with various holiday-themed items. On the left side, there are four cookies: a snowflake with blue icing, a penguin with black and white icing and red pom-poms, a Santa Claus with a red hat and white beard, and a candy cane with red and white stripes and a green top. There are also several pinecones and a red Christmas ornament scattered around the cookies.

DES MOINES AREA COMMUNITY COLLEGE

Kid's Holiday Cookie Decorating Workshop

December 14 from 10am-12pm

Come join us for a children's-level holiday cookie decorating workshop. We will be teaching the basics of how to decorate amazing sugar cookies! Each student will take home a dozen cookies plus some sweet knowledge of this tasty skill!

This workshop is for kids 5-12 years old.

Register online at ce.dmacctraining.com or by calling the
Registration Office at 515-964-6800
