The Iowa Youth Fishing League is a nonprofit organization created with the mission of serving Iowa youth anglers and families interested in pursuing their passion for fishing, tournament angling, and conservation efforts.

Members will have the opportunity to pursue paths related to their interests and goals as youth anglers. These pursuits may include conventional fishing knowledge and skills, urban fishing initiatives, conservation efforts, and tournament angling among other opportunities.

The Iowa Youth Fishing League will also strive to work with local communities to encourage and promote connections and experiences through angling for all.
