BROADWAY SUMMER INTENSIVE

July 13-18, 2020

Expand your skills and imagine the life of a Broadway performer! Guest Broadway performers lead teens in a week-long series of master classes on the “triple threat” skills of musical theater — acting, dancing, and singing. Participants sharpen their performance skills, gain knowledge about the auditioning and casting process, and learn about the Broadway industry from working professionals. The week culminates in a showcase for family and friends. Auditions are not required, although previous theater training or experience is necessary.
