RESORT

Adventureland is hiring for the 2020 season! If you're looking for a fun summer job, apply now at <https://www.adventurelandresort.com/employment>. We are currently also scheduling interviews and phone interviews.

Positions:

Rides Department (16+):

Duties include operating and/or assisting on various amusement park rides. Responsibilities include not only operating rides, but also assisting guests during the loading and unloading process and ensuring guest safety. These positions involve being on your feet for extended periods of time, requires good mobility and moderate lifting. You will be exposed to various weather conditions and have constant guest interaction.

Retail Department (14+):

Work in one of many souvenir shops or kiosks in the park and waterpark. Responsibilities include but are not limited to using point of sale computers, cash registers, credit card machines, stocking stores, cleaning, moderate lifting, standing and walking during your entire shift. Stores and kiosks include both indoor and outdoor facilities exposed to various weather conditions. Employees should be prepared for a fast paced, high volume and highly active retail environment.

Foods Department (14+):

Duties include taking food orders from guests, filling orders, accomplishing a cash transaction with or without a cash register, and preparation of food items. Lifting requirements include receiving and unpacking inventory and daily lifting of food items. Safety requirements include use of personal protective equipment for chemical hazards, proper safety attire and following all other company safety requirements.

Games Department (14+):

Duties include working in one of many games or arcades located throughout the park. Responsibilities include, but are not limited to cash handling, walking, standing, moderate lifting, prize issuance and player encouragement including microphone usage. Basic math skills and an outgoing personality are required. Games are located in both covered and uncovered facilities exposed to various weather elements. Employees should be prepared for a very active working environment with a high volume of guest interaction.

Lifeguards (15+):

Duties include actively guarding structures and pools to ensure guest safety and protect lives through active scanning, performance of rescue and first aid skills, as well as high knowledge of park rules and procedures. Lifeguards will maintain constant readiness of rescue skills and regularly participate in training sessions to demonstrate physical and mental competency. This includes but is not limited to required skills as prescribed by the American Red Cross Lifeguard Program and additional skills as necessary for Adventure Bay Water Park operations. Employees will be safety-minded and be objectively disciplined with guests and coworkers alike while staying positive, friendly and approachable using exceptional customer service skills.

Any 14-15 year old will be required to bring a labor permit with them to the interview. The document is attached to this as well.
