This free educational program is targeted to students in grades 6 through 8, but anyone is welcome to participate. Space is limited; advanced registration is required and will be taken on a first-come, first-served basis. This virtual event will take place in live Zoom sessions.

## STUDENTS IN GRADES 6-8

Join medical and health sciences students and professionals from the University of Iowa for interactive and virtual medical simulations, experiments, and more that you can follow along at home to explore careers in STEM, STEM concepts, and your health.

## ADULTS

Gain special access to pre-recorded presentations from University of Iowa experts on topics including STEM, academic preparation, adolescent health, and more!

This program is open to everyone. The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, creed, color, religion, national origin, age, sex, pregnancy, disability, genetic information, status as a U.S. veteran, service in the U.S. military, sexual orientation, gender identity, associational preferences, or any other classification that deprives the person of consideration as an individual. The University also affirms its commitment to providing equal opportunities and equal access to university facilities. For additional information contact the Office of Equal Opportunity and Diversity, 319-335-0705.

Individuals with disabilities are encouraged to attend all University of Iowa-sponsored events. If you are a person who requires a reasonable accommodation in order to participate in this program, please contact UI Health Care Marketing and Communications, Outreach and Engagement in advance at 319-335-8886 or email [community-education@uiowa.edu](mailto:community-education@uiowa.edu).
