

Family Connection Workshop

Come Join Us!

SEP transition program is hosting an informational session with a variety of community service agencies. The event will occur on October 13th from 5:30-6:30 during parent/teacher conferences. We will be offering both in-person and virtual options to attend.

Representatives from Iowa Vocational Rehabilitation, Balanced Autism Job Development, Balanced Autism Independent Living, Iowa Job Corps, and DMACC will be present. These agencies will be discussing the services they provide and how to access these services. Discussions will focus on **self-advocacy, independent living, and vocational training**. Our meeting will be held in room N132 at the high school. We look forward to seeing you for this informational setting.
