Membership: The \$5000 Ram Legacy level has been removed from the membership options. The \$1000 Ram Hall of Fame level increased the number of activity passes from 4 to 6. Any of the membership options from \$100-\$1000 will also receive a booster member T-shirt. The number of t-shirts will be the same as the number of activity passes that are issued at the level bought. (Ex: \$350.00 Ram Fanatic level gets club decal, listed in online program, listed on banner, 3 activity passes and 3 t-shirts.)

2 parking spots will be auctioned off at Black and Gold night. Will be purchasing a booster club canopy to set up for memberships.

Spirit Wear: Softball and Baseball link is ready for this week.

The fall booster store link should be up and running by the end of the week. Items ordered through the link ahead of time will be available for pick up on Black and Gold night. Shelli will be making a big purchase from the online link in order to stock the stadium store. Shelli is working with a new salesman from Elite and all is going well at this time. Shelli will be ordering a window cling with all the apparel pricing to hang on the window of the stadium store. An A-frame sign has already been ordered to be put out on the sidewalk.

Social Media: Elissa will create a recap of the last year and all that the booster club has done to support SEP athletics.

New Business: Black and Gold night is Aug. 17, 2023. The MC has been selected. There will be a snow cone truck in the parking lot in which they will give 10% of sales back to the booster club. Concessions are ready. The plan for this night will run very similar to past years with the exception of allowing an additional 10-15 minute time slot for administrative personnel to speak. The letters to the teams/coaches have been sent out. The forms for the booths have also been sent out.
