

March 2024

Dear Parents:

Welcome to the Southeast Polk Community School District and our kindergarten program! We are excited to have your child in our district, and we look forward to a successful school year.

We hope that you will be a partner in your child's education. We encourage you to visit and get involved at whatever level is possible for you and your family. Our staff benefits from your help and expertise when it comes to enhancing the teaching and learning experience. Working together we can continue to improve and provide our students with the best possible experiences and opportunities.

At Southeast Polk, we strive to provide a safe and secure learning environment while working to engage all students in learning a challenging curriculum delivered through quality instruction. This includes a focus on the Iowa Core along with the 4 C's of critical thinking, communication, collaboration, and creativity necessary to prepare students for success in the 21st century.

In the months to come, we invite you to learn more about our district and our efforts to prepare students for success for college, career, and civic life.

Welcome to Southeast Polk!

Sincerely,

A handwritten signature in black ink that reads "Dirk Halupnik".

Dr. Dirk Halupnik
Superintendent

Learn. Lead. Live. Success for college, career, and civic life.
