Musical	Jamie Logan & Ella Cavin	Auditions are held the first full week of school. Rehearsals begin after Labor Day and run through our November production dates.
National Honor Society (NHS)	Valerie Powell	This requires an application process. Recognizes students who demonstrate a combination of Scholarship, Leadership, Service, and Character.
PROM COMMITTEE	Marci Keesee & Melany Shaw	Any junior may attend meetings
RAMification	Jamie Logan	In the fall, RAMification practices Thursdays from 6-9pm. Beginning in December, they rehearse Mondays from 6-9pm and Thursdays from 6-8pm. Students must audition and auditions are held in May of the prior school year. Must also be enrolled in a curricular choir class.
RAMPAGE	Austin Kinsey	A student must first take Composition and Media Literacy. Then, they sign up for Composition and Production for Publications. Upon registration, interested students will receive an application and will be notified via email of their acceptance onto the staff. Meetings are every school day during 5th period.
Rams Tech Crew	Mark Christiansen	TBD - with the opening of a new building, we will not have the repair center open the first semester.
RhythAMetteS	Marianne Peterson	Try outs in the Spring. Season goes from mid-summer through March
Robotics Club	Stephen McCoy	The Robotics Club is a STEM-based program that introduces students to robotics and related technologies through hands-on learning. Students work in teams to design, build, and program robots that can perform autonomous and driver-directed actions. The robots are then used to compete in regional and state competitions.
RUGBY	Julene Pappan	Rugby is a team game played with an oval ball that may be kicked, carried, and passed laterally or backwards from hand to hand. Points are scored by grounding the ball behind the opponents' goal line (thereby scoring a try) or by kicking it between the two posts and over the crossbar of the opponents' goal. Teams are made up of seven players on each side, and games last 15 minutes. The girls season is in the fall and the boys season is in the spring.
SCIENCE CLUB	Allison McPherran	Science club meets once a week after school on Thursdays. It is a place for students to conduct independent science experiments of their choice. The ultimate goal is to present the results of these experiments at a science conference. Here are some of the things students are currently trying to figure out: Is climate change causing sea turtles to have liver damage? What causes pots syndrome? How does varying pH affect yeast fermentation? How might the introduction of Rock Pythons impact Florida's natural ecosystems?
SEID	Emily House & Danielle Hoenig	SEID is our cultural awareness group dedicated to projects that help us learn more about ourselves and one another by providing guest speakers, cultural crafts, and chances to lead. We will meet Tuesday afternoons at 3:05 in room 342.

SPEECH	Julene Pappan, Christine Drabek, & Kara Stuart	Competitive speaking and performing opportunities in Large Group or Individual contest. Students rehearse contest pieces with coaches beginning late fall and perform at contests in winter and early spring. At contest, pieces receive feedback from judges and nominations for awards/advancement. There are many categories to choose from including musical theater, mime, public address, radio, and more!
SEP Drama	Joseph Gentzler	SEP Drama produces one non-musical play each spring and co-produces one non-musical, student-directed play each summer. Students interested in acting in either production must audition for a role. Auditions are typically at the beginning of February and May, respectively. The productions rehearse after school Monday-Friday for approximately 6-8 weeks with one weekend of performances. Students interested in theatre production and technical theatre (assistant directing, stage managing, tech crew, set/sound/light/costume/makeup design) attend the last 3-4 weeks of each production.
STUDENT COUNCIL	Danielle Hoenig & Kylie Engstrom	Student council is a student-led club that serves as the voice of the student body in school decision-making processes. Each spring, students have the opportunity to apply for positions as representatives or officers on student council. The application process involves campaigning, where candidates present their ideas and goals to their peers, followed by a voting process to elect the council members. Additionally, there is a 2.5 GPA requirement for students interested in running for student council positions. Joining student council provides students with a platform to make a positive impact, develop leadership skills, and contribute to creating a vibrant and inclusive school environment. If you would like more information, feel free to reach out to Danielle Hoenig or Kylie Engstrom.
VOCAL GOLD	Ella Cavin	Vocal Gold practices Mondays from 5-6:30 pm and Fridays from 3:15-4:30 pm. Students must audition and auditions are held in May of the prior school year. Must also be enrolled in a curricular choir class
